FYI. Our meeting with Darcy is tomorrow at 9:00. I'll report out on our helpful call with Matt Nowakowski, Tod Siegal, and others about the NHPA review process.

Subject: Powertech has contacted Shaun

Folks, Shaun let us know today that he received a message from John Mayes of Powertech requesting a call back. He assumes it is to discuss the proposed schedule for the permits. This highlights the importance of getting our tribal meetings lined up so we have a better picture on the timeline. I look forward to our update meeting tomorrow.

Thanks
D
